

STUDY PROGRAM
“DEPARTMENT OF COMPUTER ENGINEERING AND INFORMATICS”

SESSION REPORT
OF THE THREE-MEMBER COMMITTEE
FOR THE PRESENTATION AND EVALUATION OF THE THESIS

of the Student Alexandros Papadopoulos

The session was held in venue E2 on Thursday, 21 November 2024 and time 12:00

Present at the session were the members of the Three-Member Committee:

1. Ioannis Dein

2. John Koutsios

3. Andreas Komninos

who were appointed by the assembly of the department council with protocol number:
AP2024CEID

The student in question presented their thesis on the topic:

“Exploring Neural Networks for Image Classification”

Subsequently, the candidate was questioned by the members of the Committee to form a clear view of the content of the thesis and assess the scientific competence of theirs.

The supervisor Ioannis Dein:

proposes that the Three-Member Committee approve the thesis of Alexandros Papadopoulos

The Committee members vote in alphabetical order:

1. Ioannis Dein (Supervisor)
2. Andreas Komninos (Committee Member)
3. John Koutsios (Committee Member)

in favor of approving the thesis of Alexandros Papadopoulos, as they consider it scientifically adequate and that its content corresponds to the assigned topic.

Grades:

Supervisor: 9.00

Co-Supervisor 1: 9.50

Co-Supervisor 2: 9.00

After approval, the supervisor Ioannis Dein proposes to the members of the Three-Member Committee to award the student Alexandros Papadopoulos with the final grade 9.

After approval and awarding the aforementioned final grade the Three-Member Committee proposes to proceed with the process of declaring Alexandros Papadopoulos as graduate of the Study Program of the DEPARTMENT OF COMPUTER ENGINEERING AND INFORMATICS, UNIVERSITY OF PATRAS and to confer upon them the Diploma of Computer Engineering and Informatics which is recognized as a Unified Postgraduate Level Degree
